Newsletter 2

November 2006

Hasn't the year gone by fast, it is November already. As of the end of October Geelong now has 39 teams registered and \$43,299.43 in the bank. Our first team captains meeting will be held next Wednesday the 15th. As this is our first team captains meeting the main topic of discussion will be fundraising, so you may like to bring some of your team along to the meeting to get them inspired. It is important that you try and attend the team captain meetings, as they are for your benefit. Details are as follows:

Team Captains Meeting
Wednesday 15th November, 7.30pm
Deakin University Waurin Ponds in the East Dining Room on Level 1 in the
Union Administration Building.

Please note that this is a different location to that stated on the last newsletter. You can pick up Relay promotional material on the night for your own events, banners, flyers, etc. (*How to get there: Take the main entrance into Deakin, go straight at the round about, take the first right into the car park. Walk past the KD Stewart Centre to the Administration Building, we will put out a banner or balloons so you can find us.*)

'Girls night in'

Thank you to all those who attended the 'Girls night in' it was a fantastic night that exceeded all expectations. There were close to 400 guests and the night raised in excess of \$7,500. Glenda and her committee are the first 'Girls night in' event in Victoria to raise over \$5,000. Well-done girls! They would like to thank Rod (Meg) Ryan for his work as MC for the night. He was a great looking woman and I think we can safely say that he enjoyed himself as much as the girls had fun dressing him.

Send us your Relay photos

Have you had a Relay fundraising event recently? Send us your photos with a brief description of the event. They may be featured in our next newsletter. We would love to see what your teams have been doing.
