

To the fundraising committee,

At Jolie Image we are committed to providing the highest quality professional photographs at an affordable price whilst also providing much needed funds to organisations within our community.

Our family portrait fundraiser is run slightly different to other company's you may have used in the past. Your School/Kindergarten offer their parents for \$12.00, a professional family photographic sitting and quality Australian made framed family portrait. The \$12.00 going straight to your School/Kinder.

Jolie Image provide your School/Kinder with promotional material to help encourage families and make this your most successful fundraiser ever, this includes Promotional posters, a booking sheet in 15 minute intervals, particular to your needs (ie. Photographic shoot on weekends or through the week), As well the availability of studio sittings in Fyan's St, Geelong if any families are unable to attend the allotted time at the kinder.

We take a range of photos including

- Family
- Parents
- Children together
- Children separate
- Grandparents
- any other specified

The parents then view and select their images from computer and we run through the packages we offer at the time of sitting. When purchasing photographs the choice of images to be printed is entirely up to the family's choosing. We also have a range of high quality Australian made frames to choose from as well.

As families have already chosen their photographs at the sitting there is no need for them to have to book another time to come back and purchase their photographs. Instead we deliver the photographs to the school office 2 weeks from the sitting date and parents can then collect their photographs at there leisure.

To the fundraising committee

WHAT CAN JOLIE IMAGE OFFER YOUR ORGANISATION?

- Help achieving your fundraising goals for 2005/06
 - 25 families - \$300 profit
 - 50 families - \$600 profit plus bonus
 - 100 families - \$1200 profit plus bonus
- Offer value for money to your families
- A framed 10x13inch Photographic memento for your families to hold into the future
- Simple, low cost, stress less, effective and minimal work for your fundraising committee

HOW WE ARE DIFFERENT?

- A greater degree of flexibility regarding family portraits layout and design
- Families can view and select their portraits on the same day as the sitting
- Geelong based Photographic company
- Ability to choose location of sitting, either Studio or School

Ring and make an appointment for our company to come and further explain the benefits to your committee personally.

Alternatively book your photographic weekend now by ringing Robyn or Julia on (03) 5222 3883 or Mobile 0421 938 845
