

Please join us for
Our first Annual

'Girls night in'

Come along and enjoy an evening with your friends, there will be fun, food, beverages, entertainment and a Charity Auction (of great stuff)!

We will have along some of those party plan demonstrators, so you can see the items that you miss when you search for excuses not to attend those parties. These along with other vendors will have items available to purchase or order on the night.

Please join us for a great evening...what more could a girl want, friends, entertainment, food, drink, and a bit of shopping all in one place and all for a good cause!

All funds raised will go to the Cancer Council Victoria specifically targeting Womens' Cancers.
