

ENERGY SAVER FUNDRAISER

Supported by AWM Electrical Gordon Ave Geelong

Thank you and congratulations on choosing the AWM Geelong energy saver fundraiser. This is a fundraiser that will help make a profit for your school/club/cause and benefit the environment at the same time.

You will be provided with forms for those participating complete with guides for selecting the right Energy Saving product.

By selling the Energy Saving lamps at \$4.20 your organization will make a profit of \$1.00 per lamp.

All lamps are top quality and top brand products and come with the standard warranty.

We suggest a three week plan with your fundraiser. Have participants collecting names and monies for two weeks. Place your order, *with full payment*, to AWM Geelong and your Energy Saving Lamps will be delivered to you within a week.

We know with a little pre-planning you will be able to run a very successful fundraiser and we look forward to helping you achieve a fantastic outcome.

Should you have any further queries please contact John McAuliffe, AWM Geelong Manager, or Katrina Mirkovic on 522 16222.
