

Basic car maintenance class for WOMEN ONLY!

Learn about the basics of caring for your car in a friendly environment, while helping RELAY FOR LIFE. Your instructor, Steve Moody, is an experienced auto mechanics teacher.

During the 2.5 hour session you will learn:

- Why we should service our cars
- How & what to check under the bonnet
- Warning lights and what they mean
- How to safely inflate and change a flat tyre
- Managing “strange noises”
- Answers to all your questions

Where: Gordon Tafe, Boundary Road, East Geelong.
When: Tuesday 19th February 6.00pm
Cost: \$20. All proceeds to “Relay for life”.

Numbers are strictly limited so please buy your tickets NOW!

For tickets or further information phone Lisa-Jane on 0414 753 450 or email lisajane@virginbroadband.com.au

Relay for Life is an overnight team event to raise funds for cancer research, education and patient support programs. Our team is “Angels of Music”.
